

## Feedback Forms

At the end of each session, the youth are given a form to provide feedback on the workshop. The form asks for their opinions, what was most useful and any questions or comments they may have. Questions are answered in the subsequent session or via email if it is their last workshop. This form also gives Teen Talk insight into what knowledge the youth gained from the session. Teen Talk informs the youth that their comments are confidential but not anonymous and that we will follow up if someone is being hurt or hurting someone. In the event of a disclosure of abuse, see *Reporting of Child Protection & Child Abuse: Handbook & Protocols for MB Service Providers*.
